Subject: Petition N° 417/2009 on a ban on convicted persons in the European Parliament

Dear colleague,

The Committee on Petitions has recently examined the above-mentioned petition.

The Committee considered that it would be worthwhile for the questions raised in this petition to be examined by the committee on constitutional affairs, since it has the main responsibility in the field of the subject matter of the petition, and has therefore instructed me to transmit it to you for further action. It may be used, I hope, as a contribution to the work of your committee in this domain. Please find enclosed a copy of the file.

As far as the Committee on Petitions is concerned its examination of this petition is thus concluded. I would, nevertheless, like to be informed of any follow-up action taken on this matter.

Yours sincerely,

David Lowe
Head of Unit of the
Committee on Petitions
